ANNUAL REVIEW

2020
In 2020, the DA20-30 community showed up for Colorado’s kids under unprecedented circumstances. We quickly released grant restrictions and provided supplies like hand sanitizer, masks, and PPE so our grant recipients could continue serving at-risk youth. We pivoted to host three brand new events, safe and fully compliant with all health guidelines. We believed Colorado’s kids needed us more than ever so we stepped up. And you showed up. Despite the uncertainty, DA20-30 granted more than $700,000 to charities supporting urgent needs like food and housing insecurity, mental health, and educational support.

We could not have done it without extraordinary effort from every member, sponsor, donor, family, friend, and nonprofit partner. Thank you.

Cameron Richards
Past-President, 2019-2020

2020 presented big challenges, but the sheer perseverance shown by our members was nothing short of spectacular. There is no question that our resolve to serve youth facing adversity remains steadfast.

Entering our 35th year, we look to amplify our impact on the community through new, promising funding avenues. Our top-notch fundraising events will continue sooner or later. Now, we have introduced new ways to give beyond event sponsorship. And we couldn’t be more excited about the early success we’ve had in these ventures.

We greatly value our community’s incredible support in advancing our mission. To those supporters, we thank you from the deepest part of our hearts.

David Shirazi
President, 2020-2021

Unprecedented times require an unprecedented approach – and our members, supporters, and grant recipients stepped up in 2020. We flexed our creative muscles to host four safe, compliant fundraisers with no known illnesses. We conducted a record-setting raffle. Our members authorized historic first-ever Member-Funded grants. We added two more named grant patrons. And, in partnership with The Denver Post Community Foundation, we still granted nearly $750,000 to 50 nonprofits. Resilience, agility, and execution were key.

I’ve seen the best in our members and their unwavering commitment. And I’m even more amazed with the generosity of our supporters in a time of tremendous need for the children in our community. We are more inspired than ever.

Unprecedented . . . and Undaunted

Our members, sponsors, and grant recipients stood up to the challenges of 2020 and stepped up to support the community.

Safe, unique events
We hosted four socially distant fundraisers to meet the expectations of our community – the Derby Watch Party, Concert and Comedy Benefit for Kids, Nite Out at RiNo, and the Leaders Fore Kids Golf Classic.

Service continuity
Our 2019-2020 grant recipients stretched and discovered innovative ways to continue serving children despite global pandemic constraints, through remote and social distance programming.

New funding sources
As we continue to push toward our 2023 Vision, our members designed and introduced multiple non-event fundraising opportunities including the Legacy Grant Program, stock donation, and crowdfunding technologies.

Historic actions and decisions
In an historic action, our Board voted to waive restrictions on 2019-2020 grants. Then, for the first time ever, our 95 Active and Provisional members designated their membership dues to fund multiple grants to minimize the 2020 fundraising shortfall and fulfill critical charity needs.
Unprecedented . . . and Undeterred

Our members flexed their creative minds and muscles to design and to execute safe, compliant fundraising.

**Comedy and Concert Benefit for Kids**
@ Wings Over the Rockies
High-end cuisine and cocktails, live auction, standup comedy, and historic military aircraft in a socially-distanced setting. What more could you want? How about an exclusive Big Head Todd and the Monsters concert…

**Nite Out Concert**
@ River North (RiNo)
Guests arrived at the Lot ThirtyEight RiNo site to find private sections for their small groups, pizza and drinks, a vintage Mustang raffle, and an amazing guitarist-vocalist. It was a terrific Nite Out.

**Derby Watch Party**
@ Berkeley Chapel
With the Kentucky Derby delayed until September, our members set up a health-compliant watch party in the Berkeley Chapel parking lot in north Denver. Nearly 175 guests enjoyed food and drink table service by our members, a rousing member trike race, and the Derby.

**1966 Mustang Raffle and Crowdfunding Campaign**
Our members sold 600 raffle tickets across four events and online to raffle a vintage Ford Mustang and initiated creative individual fundraisers – such as fitness feats, poker games, backyard BBQs, motorcycle rides – to raise funds with support from friends, families, and colleagues.
