CHRISTMAS FOR KIDS

EVENT DETAILS

SATURDAY DECEMBER 10, 2022

- At-risk and Disadvantaged Children Served by DenverKids, Inc.
- Hosted by Members of Denver Children’s Foundation (DCF)

Christmas for Kids is DCF’s annual fundraiser and is a VERY SPECIAL way we help deserving children and their families enjoy Christmas. Many of the kids we help come from inner-city homes; nearly all are from single-parent households and are without resources or means for Christmas gifts - making the holidays a very difficult time. DCF members will “take to the aisles” at a Target department store with more than 150 special children for a holiday shopping spree! These kids will arrive wide-eyed at the store at 6 am with a mission (and budget!) to shop for Christmas gifts for their families. After the shopping is complete, Santa flies in on a helicopter to cap off the amazing morning. Donations of any size - from $25 to $2,500 - help make this campaign a success for kids who need your help. Just scan the QR code! Donations over $1,000 receive a 50% Colorado Childcare Contribution Tax Credit. And, if you or your organization would like an event sponsorship, review the options below.

SPONSORSHIPS

$20,000

TITLE SPONSOR
