

## 2025 Program Advertising Guide August 1-3, 2025

Thank you for your support of the 37th Annual Denver Polo Classic presented by Schomp BMW. This event is held on Friday, August 1st through Sunday, August 3rd at the exclusive Polo Reserve Development. It is three days of exciting entertainment that benefits children's charities.

Set against the spectacular backdrop of the Rocky Mountains under our signature white tent, patrons and guests of the Denver Polo Classic presented by Schomp BMW will enjoy premier polo action, exquisite wines, champagnes and beers, and gourmet food from some of the finest restaurants in Denver.

During this event, patrons will be provided the official Denver Polo Classic program that will contain editorials about the charities we serve, information about the tournament, and most importantly, advertising recognition for you, our sponsors. This program will be available to the over 4,000 attendees, free of charge, and remain on our website throughout the year. Advertising in this program allows you to reach some of Denver's most influential individuals to include business leaders, community officials and media personalities. Advertising in this program is one of the most cost-effective ways to align your company with the largest charity polo event in the nation. The guidelines provided here will assist you in providing the instructions for ensuring that your advertisement is a success!
