ABOUT THE DENVER BARN PARTY

BACK TO THE BARNS IN 2026! The Barn Party hosts thousands of guests from all over the Front Range. Even better, all the money raised from this event supports underprivileged children in Colorado.

One of Denver's hottest charity events – featuring top-tier country music stars on a large stage – the **2026 Denver Barn Party presented by Schomp Ford** returns to its historic venue at the Barns the Polo Reserve! **All attendees (21+ only) enjoy open bar all night!**

2025 headliner Teddy Robb rocked the stage for more than 1,000 guests! Other recent Denver Barn Party headliners include Chris Lane, Dustin Lynch, Billy Currington, Chase Rice, Chris Janson, Midland, and Michael Ray. (And, BlackJack Billy returns to the stage in 2026!)
